

# Salvatore Frisina

Software Engineer

## SUMMARY

Creative and detail-oriented software engineer with 3 years of experience in web development. Skilled in front-end and back-end web development, using JavaScript, HTML5, CSS3, ReactJS, Node, and MongoDB. Experience collaborating with teams and applying Agile methodologies. Seeking to leverage my skills in a role as a Software Engineer.

### Software Engineer at 100devs, Los Angeles, CA (Remote)

January 2022 — Present

- Collaborate with a team of developers to build modern and responsive web applications using Javascript, HTML5, and CSS3.
- Built semantically structured full-stack web applications using ReactJS, NodeJs, MongoDB, and Express.
- Apply agile methodologies like SCRUM for project management, ensuring timely delivery and high-quality output.
- Develop secure web applications that follow best practices for web accessibility, such as semantic HTML and ARIA attributes.

#### Recent Projects:

**Maggie's Kitchen and Baths** – A multiple-page website for a kitchen and bath retailer, built with HTML, CSS, and JavaScript. Includes a landing page, multiple gallery pages, and a contact form made with PHP.

**Full-Stack E-commerce website** – A full-stack website created using React JS, MongoDB, Node.JS, Express, JWT, Redux, React-Bootstrap.

**Back-End Inventory Control App**- An app created with Node.JS, MongoDB, and EJS that allows you to enter, edit and store your inventory.

### Full Stack Web Developer - Freelance | Atlanta, GA

June 2020 — Present

- Create full-stack web applications and static websites for various clients across small and medium size businesses.
- Consulting on SEO and social media strategy.

### Assistant Manager/Phone Sales at Riverhead Building Supply | Calverton, NY

April 2017 — November 2021

- Managed a team of 30+ employees, ensuring day-to-day operations ran smoothly and sales goals were met.
- Trained new employees to ensure a proper level of effectiveness and created a training program that resulted in increased employee retention.
- Maintained and excelled in customer satisfaction, resulting in a 98% customer retention rate.
